This distribution is licensed under Creative Commons. The work contained in this distribution is licensed under the [Creative Commons Attribution-NonCommercial-NoDerivatives 4.0](https://creativecommons.org/licenses/by-nc-nd/4.0/).

It is forbidden to distribute the content of this package by itself, or as part of another distribution, using the Steam Workshop by anyone other than Operation FrenchPoint Team (OFRP Team).

You may NOT use the material for commercial purposes. This includes running this package on server instances that employ any monetization schemes, including, but not limited to, donate-reward systems. Bohemia Interactive's approval of your monetization scheme does not grant you rights to wave this clause of the EULA.

Please note that the above-mentioned agreement gives the right to OFRP Team to waiver any of the conditions at our own discretion.

This modification is provided for Bohemia's Interactive Arma 3 and is not to be used with VBS or any of its derivatives built for the purpose of military training.

It is strictly forbidden for the content provided and/or any derivatives to be use in the DayZ game.

NO MONETIZATION

We have a strict NO monetization policy in accordance with the rules specified by <https://www.bohemia.net/monetization>

We consider any sort of sale - money paid in exchange for any sort of direct in-game return to be a breach of the above non-commercial clause of the EULA.

CONTACT

If you want to notify us of a violation of our license, obtain a waiver, or more information about it, please contact using the following address: operation.frenchpoint@gmail.com

For any model or partnership request, please contact the team at the same address.

As the OFrP Team is providing its contents to the community for free, we ask you to respect this generous volunteer work by complying with our license.

The OFrP Team
